Children's wristbands

Under 16s' race packs include an orange or light blue wristband.

Please write the parent/guardian/responsible adult's name and phone number on this wristband and ensure it is worn throughout the day. This information can be used to locate the adult in the unlikely situation that the child is lost at the event. On completion of the race, all children will be reunited with their parent/guardian/responsible adult by our safeguarding team before being allowed back into the event village. If your child completes the race before you, they will either be waiting to meet you at the finish line or in the lost children zone as you reenter the event village.

Water stations

Please bring your own water bottle with you. We'll have water refill points in the event village and cans of water available on the finish line, but there are no water stations on the route.

Timing

This is not a timed event, so there is no chip timing.

Baggage storage

Baggage storage is available. To avoid any delays to the race start, please arrive in plenty of time to drop off your belongings.

Changing facilities

There are no changing facilities at the event, so please arrive ready to race.

Baby changing facilities are located in the accessible toilets.

Parent and child zone

If you would like privacy when nursing, you will find the parent and child zone in the north of the event village.

Toilets

There will be clearly marked toilet facilities in the event village, including accessible toilets.

Refreshments

Tea, coffee, soft drinks and food will be available to purchase in the event village.

Litter

It's important that we keep Hyde Park clean. Please put all litter and cans in the bins provided or take them home with you.

Medals

All finishers will receive a medal at the finish line. All children will receive a Leo the Lion teddy courtesy of RBC.

Dogs

Dogs are welcome at the event, but please keep them on a lead.

Wheelchair users

The route is on tarmac and fully wheelchair accessible. The event village area is on grass.
